May 3, 2020

Dear CDC Pont Viau Vocational Training Student,

As per the directives of the Minister of Education, Vocational Training classes are now being offered on-line, to our students. These sessions are organized by your teachers and are conducted on the Zoom platform, according to your assigned schedule.

Some, but not all, may be recorded, for later reference and review.

Teachers will offer on-line learning for the theory competencies and, after May 19, it will be possible for students to be invited into the center, **by appointment only**, for the technical competencies and for evaluations.

Attendance will be taken in all Zoom sessions, and failure to attend these sessions will have serious consequences in terms of your projected program completion and certification dates.

In some programs, this could mean that modules not attended and completed would have to be taken at a later date, in the fall session, space permitting.

As of May 4, please check your emails regularly for schedule information from your teachers.

The link below will bring you to the letter emailed to you last week for the pick-up of personal items on May 4, 5 or 6. **You MUST make an appointment to be able to collect your belongings that were left in the center.** Please refer to the important information in this letter.

We are all working together to support your learning and moving forward in this challenging time.

On behalf of the CDC Pont Viau Team

Heather Halman
Center Director
