Social Integration Services (SIS) Program in Laval

Learning and Growing Together

The SIS (Social Integration Services)

- Fosters the acquisition of basic skills for home and the workplace through stimulating activities.
- Prepares students for an active role in their community.
- Promotes student individuality by recognizing and applying their talents to projects.
- Encourages teamwork and cooperation by carrying out various social participation projects.

What makes us so special?

- A personalized and inclusive approach to enable students to thrive.
- An environment that builds trust and security.
- Skills development.
- Fun and educational activities.

Classes

- Monday to Thursday from 9:00 am to 2:00 pm
