

## YOUTH APPLICATION PACKAGE 2021-2022

Welcome to the **Sir Wilfrid Laurier School Board International Student Program**. We thank you for your interest in studying with us in Canada. Our goal is to provide our students with a safe, dynamic, enriched and memorable learning experience.

While going through the steps to study in a new country can be intimidating and overwhelming, rest assured that our dedicated staff will do everything to make your application process as simple and straightforward as possible.

Please review this document carefully. It contains an outline of all the information you will need to provide in order to register for your upcoming academic program. This document creates a legally binding agreement for participation in the Sir Wilfrid Laurier School Board's International Student Program.

To facilitate your application process, please take note of the following:

- ✓ Students must duly complete and sign our **Application Package** and send it to us along with the documents required and a minimum **Payment** of the application fees (\$150 CAD) must be made. We will only verify a student's eligibility and documents once the payment has been received. Please allow 1-2 weeks for processing. Incomplete applications may cause delays in processing.
- ✓ Upon reception of the payment and **Verification of Eligibility**, we will then send an **Invoice** and **Letter of Acceptance**. With this letter, the student will then apply for a **CAQ and a Study Permit**.
- ✓ It is strongly recommended to **submit applications at least 4-6 months prior** to the start date of the program to ensure having enough time to apply for the necessary immigration permits (CAQ and Study Permit).
- ✓ It is strongly recommended to arrive in Canada **at least 2-3 weeks prior to the beginning of the program** in preparation for the start of school and to finalize the registration process on schedule. Students must come in person with all their original documents and have already paid their fees in full in order to finalize registration. Students will not be able to start without their original documents and permits.
- ✓ In order for students to receive any **official transcripts** (if applicable), they must hold immigration permits that are valid for the entire length of their studies (Visa and CAQ). This is required to apply for a Quebec permanent code which is necessary to receive any official transcripts in the province of Quebec. Please note that short stays are usually considered *cultural* only and even with valid documentation, we cannot guarantee that marks will be awarded for all subjects taken.
- ✓ **Health insurance** is a legal requirement for any international student studying in the province of Quebec. The International Students Program, through their designated insurance provider (INGLE international) will provide this service. Our insurance has a very competitive rate and excellent coverage. This fee is mandatory for all students and the cost of the insurance will be added to the student's invoice.

Thank you for choosing the International Student Program of Sir Wilfrid Laurier School Board. We look forward to assisting you through the process and greeting you in person upon your arrival. If you have any questions, please contact us at [isp@swlauriersb.qc.ca](mailto:isp@swlauriersb.qc.ca).
