## ATTENDANCE POLICY

I acknowledge and understand that it is necessary to maintain **regular and consistent** attendance in all my classes.

I understand that **attendance is a mandatory** part of my studies at the Sir Wilfrid Laurier School Board. I recognize that regular attendance will allow me to maintain the status of a student "In Good Standing".

Our Vocational Training Programs follow a **full-time** schedule during weekdays. Also, some of our programs have internships which may be offered in the evenings or weekends.

In the event that a student fails a final examination for a second time, remediation arrangements must be made directly with the center and at the expense of the student.

**Students caught cheating or plagiarizing at any time during their program, will be permanently removed from their class and will not be allowed to re-join.**

Failure to abide by the above agreements may result in the student losing the privilege to attend subsequent classes, as well as write any exams or the necessary retakes associated with their program. Such an event may lead to the ultimate dismissal of a student.
